REQUEST FOR CERTIFICATE OF CORRECTION

Dear Sir:

It is respectfully requested that a Certificate of Correction of Patent be issued with respect to U.S. Patent No. 7,115,398, issued October 3, 2006, for the purpose of correcting errors which occurred in the printing of the patent.

Request pursuant to 37 C.F.R. § 1.322 – Error attributable to Office

The printing errors in U.S. Patent No. 7,115,398 attributable to the Office are set forth below:

On the title page, left column, in (73), change "Genentch, Inc." to --Genentech, Inc.--.

On the title page, left column, in (56), insert after "2003/0186387 A1 10/2003 Ebner, et al.",  
--2003/0003545 A1 01/2003 Ebner, et al.--.

On the title page, left column, after (22), insert

This application is a continuation of Ser. No. 09/311,832, filed May 14, 1999, which claims benefit of Ser. No. 60/085,579, filed May 15, 1998, and Ser. No. 60/113,621, filed December 23, 1998.

--.

The above corrections are necessary due to PTO errors. The misspelling of Genentech, Inc. is a typographical error as evidenced by the original assignment filed with the original application papers on May 10, 2001 and as reflected in the original and updated filing receipts. The reference U.S. Application Publication No. 2003/0003545 A1 was cited by the Examiner in the Office Action mailed on February 25, 2003. Finally, both the application data sheet as filed and the original and updated filing receipts contain the correct benefit claim to the 09/311,832, 60/085,579 and 60/113,621 applications.

**Request pursuant to 37 C.F.R. § 1.323 – Error attributable to Applicant**

The following errors in U.S. Patent No. 7,115,398 are attributable to the Applicant:

On the title page, right column, in (74), insert after "Sidley Austin LLP", --and Elizabeth M. Barnes--.

On col. 11, lines 34, change "Example 8" to --Example 9--.

On col. 11, line 45, change "Example 10" to --Example 11--.

On col. 11, line 58, change "Example 10" to --Example 11--.

On col. 11, line 66, change "Example 11" to --Example 12--.

On col. 12, line 61, change "Example 16" to --Example 17--.

On col. 61, line 53, change "Example 7" to --Example 8--.

On col. 62, line 45, change "Example 8" to --Example 9--.

On col. 67, line 34, change "Example 15" to --Example 16--.

On col. 68, line 18, change "Example 16" to --Example 17--.

In claim 6, col. 98, line 63, change the ATCC accession number "203522" to --203552--.

In claim 7, col. 98, line 66, change the ATCC accession number "203522" to --203552--.

These corrections are necessary, as there are two Examples numbered as 6. This error was also contained in the original specification as filed by the Applicant. Thus, Examples 7-16 are renumbered as Examples 8-17, in sequence. In addition, the incorrect ATCC accession number designation in claims 6 and 7 can be traced to the preliminary amendment and the subsequent amendments as filed by the Application during prosecution of the application. These errors attributable to the Applicant are clearly of a clerical nature, in that they are typographical mistakes of minor character and do not involve changes that would constitute new matter or require reexamination.

Form PTO/SB/44, which is completed and suitable for printing, along with authorization to charge \$100.00, for providing a certificate of correction for applicant's mistake under § 1.323, to Sidley Austin LLP's Deposit Account No. 18-1260, referencing Docket No. 22338-00402, is
